Dear Michelle,

Thanks for participating in my Screening survey "**SafeCityTravel**", in which you stated to be interested in participating in the interview.

I am currently conducting the interviews. I would love to learn more about your experience with digital travel products and how they can help female citizens travel more safely. The interview will take about **30 minutes**. You can schedule which time suits you best via [Calendly](#).

Online interview

The interview will be held online. Calendly is scheduled for Google Hangouts, but will be held online via [Zoom](#). I will manually send you a Zoom link after you scheduled the interview with me via Calendly.

Questions

In case you have any questions or concerns, you can contact me by email on diana.vile@gmail.com or in a direct message via Udacity Chat.

Hope to hear from you soon and I look forward to interviewing with you!

Kind regards,
Diana Vilé
